

## Visa Debit is a convenient way to pay

You can use your Debit Card for just about anything, and it's accepted at millions of places worldwide.

- Fast-Food Restaurants
- Dry Cleaners
- Video Stores
- Movie Theaters
- Drug Stores/Pharmacies
- Service Stations
- Car Washes
- Internet/Phone Orders

With a Debit Card in your wallet, you're ready for anything. It's faster than writing checks and safer than carrying extra cash.

### It's flexible and convenient.

Your Debit Card is perfect for the different ways you like to shop: in line, online, by phone line – even to conveniently pay for monthly bills. So next time you need to pay, remember your Debit Card makes it so much easier.

Plus, you're covered by the extra protection of Visa. When you press "credit" at the keypad and sign for your purchases, you will always be protected by multiple layers of security, including: Visa's Zero Liability Policy,\* so you won't have to pay for unauthorized purchases; replacement funds, so any funds taken from your account due to fraudulent use will be returned; and continuous fraud monitoring for suspicious activity.

Detach the card below and keep with you for quick and helpful tips!

---

### Debit Card Tips

- To avoid a transaction fee, anytime you have the option of DEBIT or CREDIT, **choose CREDIT**. (Choosing DEBIT and entering a PIN will result in a transaction fee.)
- If a loan is past due, the card may be declined.
- You may purchase up to a maximum of \$1,500 per day.
- Maximum ATM withdrawals and Point-of-Sale transactions per day of \$400 or 10 transactions, if there are sufficient funds in your account.
- You may transfer up to the available balance in your accounts at the time of the transfer.

## Sign for your purchases.

Sign for your purchases and you're protected by multiple layers of security, including Visa's Zero Liability Policy,\* so you won't have to pay for unauthorized purchases.

### Sign

Use your Debit Card, tell the cashier you want to sign for your purchase, and then sign the receipt.

### Swipe

If there's a PIN pad, swipe your card, select "credit," and sign the receipt.

\*Visa's Zero Liability policy covers U.S.-issued cards only and does not apply to ATM transactions, PIN transactions not processed by Visa or certain commercial card transactions. Cardholder must notify card issuer promptly of any unauthorized use. Consult issuer for additional details or visit [www.visa.com/security](http://www.visa.com/security).
